## WELCOME

# The Rocket Man Show

Simply put, this is Elton! Scotsman Rus Anderson is Elton John's official body double for his highly publicised 'Farewell Yellow Brick Road' world tour media campaign, set to kick off in September 2018. Hand picked by Elton John & David Furnish, it was Rus' own live tribute production 'The Rocket Man Show' which got him noticed. In the show, Rus recreates the magic & live persona of a young Elton like no other. Storming around the stage with a fun-loving sense of flamboyance; part Diva, part soccer player, killer vocalist, fierce piano player, *all* rock & roller. Rus' painstaking attention to detail includes wearing gorgeous, colorful & spectacular costumes (many actually worn by Elton) including his iconic boots, glasses & jumpsuits from 1973, as well as a sparkly Swarovski tuxedo from 1984.

It is *clearly* the most authentic Elton John tribute show in the world.

The Rocket Man Show is a regular feature across the USA at venues such as House Of Blues, Hard Rock Live, Caesar's, Harrah's, Legends In Concert, BB King's, Universal Studios & Walt Disney World. You cannot go wrong with this much experience onstage at your venue.

Rus & his full band of merry crackerjack musicians are the *very best* in the business. The show is 100% live in both vocals & instrumentation. Absolutely no tracks or lip-syncing. The performance itself is an extremely sincere, intense & visual spectacle of a journey. There are ballads & driving rock songs. Audiences laugh, cry, sing & dance as they recall the highs & lows of Elton's epic career.

In summary, the key to success when hiring a band - or even buying a ticket to go & see a band - is knowing how professional they'll look, act & perform when they arrive. Rus Anderson has been officially hired by Elton John himself to re-enact the most memorable moments of his career. How's *that* for peace of mind? With hundreds & hundreds of shows & satisfied clients, thousands upon thousands of dollars in costumes & a 5-star rating on many of the USA's elite talent rating platforms, Rus is an ASCAP member, Disney verified & fully licensed & insured.

You're ok with Rus & The Rocket Man Show, Elton John thinks so too! What you see is what you get & *that's* entertainment. See you at the show.

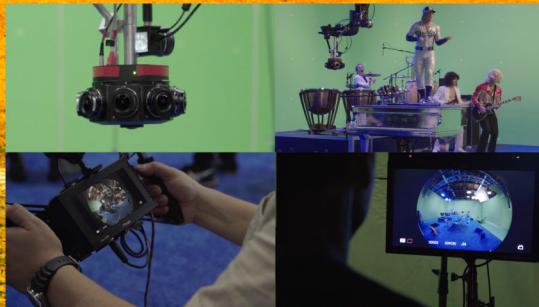

# FAREWELL YELLOW BRICK ROAD

Rus Anderson performs the role of Elton John for his "Farewell Yellow Brick Road" world tour media campaign. In May 2017, Rus was contacted by Elton John & David Furnish who brought him to Los Angeles to film as Elton's body double from the 1970's, for a cutting edge visual experience shot in Virtual Reality. This is the main promo video for Elton's final tour. Working with the production company Spinifex, the team magically recreated Elton's US debut gig at The Troubadour, Hollywood in 1970, as well as his LA Dodgers Stadium concert in 1975. Rus' performance debuted via livestream to a worldwide audience from Gotham Hall, Manhattan on January 24th 2018, when Elton officially announced his farewell tour. Here are some behind the scenes photos of the project.
