Something special happens when two great voices sing together. Melody and harmony blend to create a signature sound that could only be created by those specific voices. Super Duos stars two veteran musicians - Pat Balder and Glen Everhart, who bring their one-of-a-kind vocal blend, along with superb guitars, a good dose of comedy, and over 1,000 shows together to deliver the greatest songs by the greatest musical duos of all time.

Duos like Hall & Oates, Phil and Don Everly, The Righteous Brothers, Simon and Garfunkel, Sam and Dave, Loggins and Messina, Brooks and Dunn, The Blues Brothers and more; with songs like "You've Lost That Lovin' Feeling", "Your Mama Don't Dance", "Sara Smile", "Scarborough Fair", "Unchained Melody", "Soul Man", "Let it Be Me" and so many others.

Songs that require two soulful voices. Songs you've lived your life with. Songs you know every word of. Songs that bring us all together and prove that two voices are so often better than one.
