

The Olivia Show is systematic...hydromatic...ultramatic...why, it's a tribute to Olivia Newton-John, Grease, Xanadu and more!

Live vocals, powerful musicianship, amazing costumes, chart topping hits, video graphics, and an exciting sing-along section, all contribute to a magical, feel good show. It's a modern throwback! It's fun for everyone! It's 70s gold!

The Olivia Show features Sabrina Plaisance-Sia, who commands the stage with charisma, charm, humor, and an uncanny resemblance to the look and sound of Olivia Newton-John.

And to top it all off, we're calling all Pink Ladies and T-Birds to help us sing-along to all their favorite Grease hits! With on-screen lyrics, EVERYONE can join in! Sing until you lose your voice, dance like nobody's watching, and relive your glory days. The Olivia Show! That's our name, don't wear it out!
