

LEADERS OF THE PACK

The Lovettes

Chicago-based trio The Lovettes celebrate the golden era of music with their show-stopping salute to the female icons and girl groups of the 40s, 50s, and 60s. Revisit the evolution of the girl group sound, from the 40s big band era, 50s rock n roll, and 60s pop! Tap your toes to chart-topping hits from the Andrews Sisters, Connie Francis, Peggy Lee, The Ronettes, Leslie Gore, The Chiffons, Petula Clark, The Supremes, Dusty Springfield, and more. With their internationally-acclaimed act, The Lovettes have been featured on PBS's Doo-Wop Generations and endorsed by pop queens Beverly Lee (of The Shirelles) and Judy Craig (of The Chiffons). Celebrate the women in music who paved the way for generations to come - the original leaders of the pack!
