

Karen Rontowski

David Brenner says, "Even if you can't spell Karen Rontowski, you'd better remember it, because she is GREAT!" Ms. Rontowski describes herself as having an optimistic outlook; everything is coming up roses when you talk to Karen. So what if her therapist says she's in complete denial. The truth is, when it comes to her standup comedy career, everything is coming up roses, or at least laughter. Comedian Karen Rontowski's upbeat, optimistic and clean sense of humor has earned her headlining spots all over the world. She has also opened for such show biz legends as Bob Hope, Ray Charles, and The Monkees. Often described as a "New Age Hippie" Rontowski says "there is no time like the present to be living in the past." Karen has toured the world over and has entertained the troops with tales of her Polish father who once put a drawbridge on their house ... actually he just mistakenly installed the garage door upside down. Karen is a TV favorite appearing on Comedy Central, Live at Gotham and Comics Unleashed. She is a regular on the Bob and Tom Radio Show where she talks about her other career as a paranormal investigator. She recently completed the TV demo pilot, Karen's Supernatural Junkyard, in which she spear-heads hilarious adventures into the supernatural. Karen says, "I am not afraid of ghosts, they're just people who don't know their dead yet."
