We've Only Just Begun: Carpenters Remembered is the definitive concert show celebrating the music of one of the most successful recording acts of all time. The Carpenters sold over a hundred million records in just over a decade and still hold the record for most consecutive top-ten singles. The dynamic combination of Karen's voice and Richard's compositions and arrangements created Grammy winning magic and won them a worldwide legion of loyal fans.

Accomplished vocalist Michelle Berting Brett takes center stage accompanied by her 7-piece band of Nashville musicians directed by Harry Sharpe. Sharpe and the band have worked with popular music icons including: Donna Summer, Wynonna Judd, Bruce Hornsby, Collin Raye, Bobby Caldwell, Tanya Tucker, John Michael Montgomery, and Michael McDonald. The show re-creates the Carpenters' arrangements and sound and Berting Brett shares stories culled from extensive research and interviews with those who knew Karen and Richard personally and professionally.

From Washington State to New York City to **SOLD OUT** engagements in Las Vegas, and Downey, California, hometown of the Carpenters, **We've Only Just Begun: Carpenters Remembered** has been met with enthusiasm from Carpenters' fans and reviewers alike.
