

**“MEMORIES” Starring Sharon Owens STAGE PLOT**  
**8 piece orchestra**

**Venue Technical Rider**  
**Stage/Sound and Dressing room requirements for Sharon Owens**

**Audio Specifications**

The PA system for the performance must be capable of producing distortion free signal at a volume sufficient to cover the venue. Outboard equipment must include effects (i.e. reverb, delay).

A qualified Audio Technical Engineer and qualified Light Technician and some crew are required.

Video and Screen Capabilities ( if desired )

Female Dresser needed for quick changes.

Monitor system can be a traditional wedge system. Effects in the monitors are much appreciated. Placement of Monitors are separated enough for full view from the audience.

Piano monitor and boom stand microphone (pianist may talk and/or sing)

Particular Needs for Sharon Owens vocal microphone:

Long Haul Reverb on ballads. Crisp sound for upbeat songs and Disco.

**No Compression in monitors please.**

**Lighting and Stage Requirements**

Tuned Baby Grand / Full Grand Piano OR Piano Shell with 88 Keyboard

Standard lighting with color washes to be controlled by Light Tech.

1 Follow Spot controlled by capable technicians (if available)

1 High Stool. Preferably movable

1 Tall small top table

Vase with a dozen PINK LIVE roses on the table. ( Performer will provide if necessary )

Although, Pre show Lighting is requested on roses for “look” on stage.

Tea cup (if Sharon cannot provide her own)

Table covering.

Quick Change close to the stage/or close dressing rooms

**Dressing Room Requirements**

One Clean Private Dressing room with door or curtain

Proper lighting and mirrors

Rack with a Hangers for hanging costumes

Private restroom or access to a Private restroom

**Dressing Room Hospitality**

Bottled Purified Waters

Soda, Coffee, Tea for Tech, Band and staff

Towels/Paper or Cloth

Crackers, Cheese, nuts, veggies backstage are always appreciated.

**Meal Requirements**

**Meal is required for Band and Tech if rehearsal does not allow them time to eat.**

Hot Meal required for performance/rehearsal for MD & Sharon.

Sharon is allergic to shellfish and has some allergies to some fruits such as Melons, Watermelon although she is NOT allergic to nuts!

Sharon does not usually eat dinner before her performance.

Understand most towns do not have restaurants open for a proper meal after the show so if food can be kept for her after performance it is much appreciated.
