

The Diamonds

33 Appearances on American Bandstand!

After nearly three decades and 40-million records, The Diamonds are still rockin'. Best known for the Rock n' Roll classic Little Darlin', The Diamonds offer tight harmonies, humor, and lively choreography featuring fabulous Diamond hits like The Stroll, Why Do Fools Fall In Love, and Silhouettes.

The Diamonds mix their hits of the 50's and 60's with stirring tributes to the classic four-part vocal groups of the era - The Four Lads, The Four Aces, and The Four Seasons to name but a few. They also honor some of the greatest solo artists in Rock n' Roll history, accented by their talents as instrumentals on saxophone, trumpet, and trombone.

The Diamonds...a high quality, first class trip down memory lane!
