

“LASTING IMPRESSIONS”

Karen Grainger

Known as Canada's foremost female impressionist, Karen Grainger grew up in Toronto, Canada surrounded by music. Karen has enjoyed a very successful impersonating career as not only Reba, but Celine Dion and Cher as well. Audiences are spellbound by Karen's skill at recreating these diverse characters, capturing their voices as well as their mannerisms. Karen's portrayals have been earning her standing ovations from Bally's in Atlantic City to Canada's premier Casino in Windsor and from Japan to a U.S. Naval base on the Indian Ocean! In "Lasting Impressions" Karen uses a variety of props to create a hilarious visual and vocal illusion. The audience will be treated to such musical "Guests" as Tina Turner, Whitney Houston, Barbra Streisand, Celine Dion, and Cher...not to mention a few male voices including Michael McDonald.
