

# ABBA CADABRA

***Dust off the leisure suits! Shine up those platform shoes! Be transported back to a simpler time when gas was under \$1.00 per gallon... when music was fun, inspiring and uplifting... and disco was King!***

***With the resurgence of the '70s, portrayed in part by the hugely popular hit movie "MAMMA MIA!", based on the Broadway musical production, the music of ABBA is finding its way back into the hearts of those who lived it then and taking over the hearts of those who are experiencing it for the first time now.***

***This show is the ultimate ABBA concert and promises to continue the momentum by performing 20 of the group's greatest hits in full ABBA fashion and flair.***
