Short Bio

Stephanie Hodgdon dazzles you with a rock-of-all-ages concert paying tribute to the Kings and Queens of rock and roll.

Long Bio

Stephanie Hodgdon dazzles you with a rock-of-all-ages concert paying tribute to the Kings and Queens of Rock and Roll. A veteran of the Princess stage, this lady has grown from a theatre princess to a Queen of Rock. Among her crowning achievements, in 2015 she was chosen by Stephen Schwartz (Godspell, Pippin & Wicked) as a lead vocalist in the original cast of Magic To Do aboard the Crown Princess and is featured on the Magic To Do original cast album. From voice-over acting, to puppetry, to stand up comedy, Stephanie Hodgdon has done it all but Rock n' Roll is where her heart is!

Requests - Show B

STEVIE NICKS MEDLEY - entire piece should build to finish

Lighting:

General Show Guidelines:

- I will provide show marquees for projection screens and/or lobby
- Please provide specials for: Piano, guitar, sax (+drums in Show B) and bring them up when they solo.
- LED wall: textures and patterns using, jewels, fur, velvet, tapestries, the sky, feathers, and water work wonderfully.
- Moving lights: let loose & go wild!

Specific Requests:

SHOW A

DREAMS-Rain pattern on the LED. On the cymbal “**ThunDER** only happens when it’s raining” cue lightning flash.

THE ROSE-tapestry curtain look. If you want to use roses on the LED, please wait until the end of the tune. No fast moving images.

SHOW B

STEVIE NICKS MEDLEY - whole medley will build to finish

Landslide - Feature vox & guitar on dark stage, very intimate
