THE WORLD'S FIRST ALL-MALE CAROLE KING TRIBUTE

An iconic singer-songwriter gets a brand-new sound in CAROLE'S KINGS, the world's first all-male Carole King tribute. With lush orchestrations from the same team as Broadway's *Beautiful* and a cast of three incredibly talented New York stage veterans (one of whom plays live piano throughout the show), CAROLE'S KINGS is a dynamic act that has already begun wowing audiences worldwide.

Jam-packed with chart-topping sensations like "The Locomotion," "I Feel the Earth Move," "You've Got A Friend," "Natural Woman," and many more, an expanded set also includes songs by King's friends and collaborators, including "You've Lost That Loving Feeling" and other hits by epic songwriting duo Cynthia Weil and Barry Mann. CAROLE'S KINGS mixes all this with lighthearted comedy and even a fun megamix of the most popular songs, getting the crowd on its feet and proving that the music is still as resonant today as it was when she began writing in 1958.

Recent performances have brought this act from intimate cabaret spaces in New York and Florida to prestigious headliner spots onboard Celebrity, Princess and Norwegian Cruise Lines. Amazing vocals, witty banter, and a flexible band size perfect for presenters of all budgets make CAROLE'S KINGS a unique experience that's fun for the whole family!

The vocals are "striking" and the cast is "romantic!" - TotalTheatre.com
